# *Preface.*

## **CHAPTER ONE**

I have had the privilege of ministering in over 80 nations of the world, in a period of 36 years, and have been in different revivals, not just as a participant, but also as a contributor and a minister of the Gospel. The most recent example was in the Pensacola revival, Pensacola, Florida with Pastor John Kilpatrick and the late Evangelist Steve Hill. But what has been happening at our church since 18<sup>th</sup> September 2016, when the Lord summoned us to be before Him for 77 Days of Glory (77 D.O.Gs) is unprecedented! One hundred days down the road (by the time we signed off the printing of this book) we have seen such a spiritual impact whose reverberations are being felt around the world. There has been physical transformation at the Miracle Centre Cathedral and joy unspeakable in the hearts and lives of the tens of thousands of people who have kept streaming down the Cathedral valley every single day for a 10-12 hour service.

Men, women, young and old around the world have witnessed the unprecedented power of the Holy

Spirit that can only be compared to the Pentecostal outpouring in the book of Acts. What I had thought was a call to minister to our congregation after the 49<sup>th</sup> crusade in Kyankwanzi, turned out to be a worldwide revival, drawing people from all over Africa, Europe, the Americas, Asia and Australia. In just One hundred days, we have seen similarities to what happened in the times of the Apostles;

- ☆ The Lord dealing with witchcraft.
- ☆ Great salvation and people fleeing religion to follow the One and only living God.
- ☆ No more financial embarrassment.
- ☆ The repentance and transformation of notorious criminal gang members that had for long rocked and terrorized the city.
- ☆ The liberality of people to give their material possessions to those who are in need and/or in response to the leading of the Holy Spirit.
- ☆ The unprecedented numbers in attendance.
- ☆ The breaking of viewership records of Channel 44 television, which was lagging behind, now hav-

ing the number one spot in prime time viewership with an online reach on Facebook having grown from 4,000 to over 12,000,000 people.

- ☆ Unprecedented miracles, signs and wonders. Many of these have happened in the homes of people while they were watching channel 44.
- ☆ Massive numbers of people being baptized every Sunday (between one thousand and one thousand three hundred people per Sunday!)
- ☆ The youth gathering every Saturday afternoon, drawing record crowds that were so huge that we had to move the meeting outside the 10,500 seater Church sanctuary simply because they couldn't fit in!!
- ☆ The women's meeting and the Friday overnight services that have broken all records of attendance.

Many of the congregants were officers in the military and police, reverends, pastors, doctors, and all manner of professionals. This therefore prompted me to write down some things that are very important, as we have received numerous testimonies and praise reports from people about

the teachings we have done on the Holy Spirit.

At the beginning of these 77D.O.Gs, the Lord told me to tell the people not to ask for anything else, but to be filled with the Holy Spirit. And one hundred days of being filled with the Holy Spirit have totally transformed and had great impact on the nation of Uganda.

Whether you are on the streets of Kampala or deep down in the village, all across Africa people are talking about the 77D.O.Gs. When you come to the sanctuary, two new parking lots that were inexistent One hundred days ago are now ready and well tarmacked. We have had to buy tents and over fifteen thousand new chairs in order to be able to cater for the overflow of people (note that the main auditorium seats 10,500). Additionally on Christmas, we had the privilege of serving thousands of people a hot Christmas meal. Only God can do all this.

Allow me to welcome you to experience a close encounter with the Holy Spirit. I pray that you will not just go through this book but that this book will go through you by the power of the Holy Spirit.

Robert Kayanja.

## CHAPTER TWO

### *Why The Holy Spirit?*

This is the fundamental question that brings about fundamental change in the life of a believer and in the church as well.

#### *Why the Holy Spirit?*

As believers we all agree that there is a Godhead; God the Father, God the Son and God the Holy Spirit. Little however is known and preached about the Holy Spirit. More emphasis seems to be placed upon teachings about the Father and His Son Jesus Christ; and deservedly so. We shouldn't however forget that God is Spirit and that He is Holy

#### ***John 4:24;***

***God is a Spirit: and they that worship Him must worship Him in spirit and in truth.***

Ignoring of the Holy Spirit is what has caused the Church to lag behind in every aspect of life. Looking all the way from the Old to New Testament accounts,

the Holy Spirit was given unlimited access to the lives of God's people. God and the Holy Spirit cannot be separated from each other and that is why He challenges us to be Holy because He too is Holy.

***1 Peter 1:16 (NKJV)***

***16 because it is written, "Be holy, for I am holy."***

He implores us to be like the Holy Spirit.

Why the Holy Spirit?! It is because He is a member of the Godhead in a very distinct way. He is not just a member, but He does play a very important role in His office. The Father and the Son are the same. Jesus is God as is the Father and the Holy Spirit. There are not three gods but one God, with three major distinct offices. The work and office of the Holy Spirit transcends everything that man has ever known about God. If we miss the Holy Spirit, we will have missed the Father and missed Jesus. Once you miss God, then you will have missed your own blessings and contribution to society.

*Why? Because the Bible says,*

***John 1:1 (NKJV)***

***1 In the beginning was the Word, and the Word was with God, and the Word was God.***

The ‘God’ being referred to here is God the Father. The Word as we all know it is Jesus Christ, the Son.

But then, the Bible says that when God made the heaven and the earth, the earth was dark without form and void, and the Holy Spirit hovered over the surface of the deep. So, realize that God the Father was joined by the Word and the Word became God. But the Holy Spirit was already present, hovering over the surface of the deep

***Gen 1:2;***

***And the earth was without form, and void; and darkness was upon the face of the deep. And the Spirit of God moved upon the face of the waters.***

So you see even God could not say or do anything yet, until the Holy Spirit created a soft landing for the Word. When He said, “Let there be...” it was the Holy Spirit who caused what He said to land on earth. It exploded on the ground and things started to take shape.

So without the Holy Spirit, the word we preach just bounces off the situation that it is supposed to handle. It is like playing squash against the wall; the ball will just bounce back. Therefore, when the Holy Spirit is

on the wall, whatever you are thrusting onto the wall will go into or through the wall.

*If we miss the Holy Spirit, we will have missed the Father and missed Jesus. Once you miss God, then you will have missed your own blessings and contribution to society.*

### *Why the Holy Spirit?*

It's because we see the major role He played in the creation story. We also see Him in the Old Testament referred to as the hand of Lord. God is a Spirit with no physical hands. God's illustration of the physical hand is Jesus, a representative of the extension of God (who is a Spirit). But Jesus couldn't do the work He did before the Holy Spirit could come upon Him. Therefore when we talk about the Hand of God, we are talking about the ministry empowered by the Holy Spirit.

### *Why the Holy Spirit?*

Jesus Christ was promised in Genesis 3 that the seed of the woman would crush the devil's head implying; Jesus' death on the cross, His going to hell, and defeating

and crushing the devil. Jesus could not come in the flesh until the Holy Spirit had come upon the Virgin Mary and enabled her to conceive and bring Him forth.

***Luke 1:34-35 (NKJV)***

***34 Then Mary said to the angel, “How can this be, since I do not know a man?”***

***35 And the angel answered and said to her, “The Holy Spirit will come upon you, and the power of the Highest will overshadow you; therefore, also, that Holy One who is to be born will be called the Son of God.”***

The angel started the conversation and delivered the message, but it is the Holy Spirit who ushered in baby Jesus. He was the midwife at that time. There would be no ministry of Jesus Christ on this planet earth had the Holy Spirit not sat on Jesus’ shoulder like a dove. So we can see that His promise was by the Holy Spirit. His conception and birth was by the Holy Spirit. Neither Mary nor Joseph experience in child delivery because this was to be their first baby. At the hour of birth, there was no mid-wife in the kraal where they were. When Jesus was anointed and the ministry of miracles, signs and wonders began, He said;

***Isaiah 61:1 (NKJV)***

***1 “The Spirit of the Lord God is upon Me, Because the Lord has anointed Me***

To preach good tidings to the poor; He has sent Me to heal the brokenhearted,

To proclaim liberty to the captives, And the opening of the prison to those who are bound,”...repeating what the prophet Isaiah said.

So He anointed Jesus to perform and He went about doing good.

***Acts 10:38 (NKJV)***

***38 how God anointed Jesus of Nazareth with the Holy Spirit and with power, who went about doing good and healing all who were oppressed by the devil, for God was with Him.***

So God anoints people with the Holy Spirit.

We also see another scenario that presents the Holy Spirit aspect; when Jesus was on the cross, He handed over His Spirit.

**Luke 23:46**

***And when Jesus had cried with a loud voice, he said, Father, into thy hands I commend my spirit: and having said thus, he gave up the ghost.***

For the Spirit does not die. Jesus died a gruesome death when He handed over His Spirit to the Father. He had to hand Him (Spirit) over; otherwise He would not have died. They wouldn't have even been able to keep Him on the cross. He perhaps would have jumped right off because the Spirit of the Lord is the resurrection and life. Once you put the Holy Spirit into a body, it becomes alive again.

That is the plain reason Jesus had to hand over His Spirit to the Father so that He could die, for the next plan for humanity (God's pre-ordained plan) to take place.

What happened on the third day is that the Holy Spirit came to Him in the tomb and got Him up. Apostle Paul said,

***Romans 8:11 (NKJV)***

***11 But if the Spirit of Him who raised Jesus from the dead dwells in you, He who raised Christ from the dead will also give life to your mortal bodies through His Spirit who dwells in you,"***

It is the Holy Spirit teleported Him to heaven. The Miracles He did before He went to heaven and the infallible proofs were all by the power of the Holy Spirit. The Holy Spirit caught Him and took Him to heaven and sat Him at the right hand of the Father. Prior to His ascension, he promised to send the Holy Spirit who was to help build the Church and strengthen the believers. Pentecost marked the day the Holy Spirit descended upon the people in the upper room.

Still, it is the Holy Spirit who will resurrect all the dead when Jesus Christ re-appears on the clouds. The Holy Spirit will bring Jesus Christ on earth to rule and reign forever. Apostle Paul said we'll be caught up in the air.

***1 Thessalonians 4:17 (NKJV)***

***17 Then we who are alive and remain shall be caught up together with them in the clouds to meet the Lord in the air. And thus we shall always be with the Lord.***

Who will catch us? The Holy Spirit. We see Him throughout the whole time when God appeared to the people in the Old Testament.

Why the Holy Spirit? We cannot become what God wants us to be or be effective witnesses of Jesus Christ without

the Holy Spirit. We have seen this when He instructed us to tell the people not to ask for cars or houses or marriages or any other material thing but to ask to be filled with the Holy Spirit.

When we did, we inevitably ended up attracting these things that were never specifically asked for; God provided for mass weddings, people started receiving cars which they never asked for. A newly designed compound was speedily and supernaturally created, again, which had not been asked for, because He knows what we want and need. That is why He teaches us how to pray. We cry out, “Abba, Father” because we don’t know how to pray. So when we are filled with the Holy Spirit, He teaches us how to pray and that prayer prayed with the groaning of the Holy Spirit, God answers it. If we had prayed in our own understanding to be filled with the Holy Spirit, we perhaps would not have prayed for the bandits aka ‘Kifeesi Boys’ because our prayer would be a selfish prayer.

‘Punish them, they have stolen our laptops and beaten our people. Teach them a lesson they will never forget...’ could have been the sentiment of our prayer-without the Holy Spirit flavour. But because we prayed for the Holy Spirit, He drew them (Kifeesi) to the Lord.

*We cannot become what God wants us to be or be effective witnesses of Jesus christ without the Holy Spirit.*

***John 12:32 (NKJV)***

***32 And I, if I am lifted up from the earth, will draw all peoples to Myself.”***

We are supposed to lift Jesus up such that the Holy Spirit may draw men unto Him. That is the exact experience here in the 77 Days of Glory. The worship, the praise and the supernatural have been under the stewardship of the Holy Spirit. The Lord has cancelled out people's debts miraculously because of the Holy Spirit.

*Why the Holy Spirit?*

Things we never asked for in the initial stages like professional television cameras, ICT equipment and many more were miraculously brought by the help of the Holy Spirit. We had also run out of office space before the 77D.O.Gs, so we needed offices for the handling and smooth-running of the ministry, and here comes the Lord, providing seventeen customized

portable office units. The question we should be asking ourselves now is not ‘why the Holy Spirit?’ but rather ‘WHY NOT the Holy Spirit?’ The Father said;

***John 14:16 (NKJV)***

***16 And I will pray the Father, and He will give you another Helper, that He may abide with you forever***

The Holy Spirit is a partner just as a wife is to her husband or as a corporate partner, sister nations or sister organisations are to each other. That is the role of the Holy Spirit. He comes in to be loved, cherished and to empower and bless you in return.

Why not the Holy Spirit? After all, He knows how to deliver kids off of drugs. The former Kifeesi boys we talk about were belonging to well-organized criminal gangs which depend on drugs, alcohol and human manipulation but were delivered and cleansed and are now servants of God. They were vagabonds before and have since found rest in God by the power of the Holy Spirit.

*Why not the Holy Spirit?*

Pastor, Minister, child of God, just try the Holy Spirit. He is the only one who knows how to throw a party that will never end.

## CHAPTER THREE

### *Hello Holy Spirit*

If it is the Holy Spirit we must seek, then one must ask oneself;

- Where can I find the Holy Spirit?
- Where do I locate the Holy Spirit?
- How do I know that this is not an evil spirit pretending to be the Holy Spirit?
- How do I perceive that the tongues, laughter and joy that I have are of the Holy Spirit?

Very simple... He is defined by His name just like you and I are identified with a name. He has a first and second name; Holy and Spirit. And because He is Holy Spirit, He begins in Holiness. The only way one can tell the difference between evil, manipulative, controlling spirits and the Holy Spirit, is by seeking out the element 'Holy.' It is because He is holy, His first name begins in holiness. Everything He is going to do is going to be holy and you too will become holy.

***1 Peter 1:15-16 (NKJV)***

***15 but as He who called you is holy, you also be holy in all your conduct, 16 because it is written, “Be holy, for I am holy.”***

So the only way you differentiate the spirit of the devil from the Spirit of God is by the Holy aspect in the spirit. He is a Holy Spirit.

After you have realised that He is the Holy Spirit dealing in things that are holy, that means He deals with people. His mission and concern is about people. He is a person. Evil spirits may oppress and bind people, but the Holy Spirit ministers and empowers man and his body.

The first thing you have to do is learn how to greet and recognise His presence in the same manner we recognize those of honour around us. When we say ‘hello guys,’ the Holy Spirit too is a person who needs your hello. Without telling Him ‘hello,’ you have no tomorrow in His presence. So we must learn how to ‘hello’ the Holy Spirit in all our situations and dealings. One must learn how to recognise Him. If you don’t greet or receive Him, if you don’t appreciate or celebrate Him, he is not going to move an inch to

support or help you out of any wanting and gruesome situation you may be caught in.

*The only way one can tell the difference between evil, manipulative, controlling spirits and the holy spirit, is by seeking out the 'holy'element... he is a holy spirit.*

*How do we say hello to the Holy Spirit?*

By recognizing that He does exist, that He is alive, that He is a person and that He has emotions. The Holy Spirit may burn like fire but He is not fire. He may cool down like ice but He is not ice and although He can be smooth like the oil, yet He is not oil. These are just forms of His manifestation.

***Acts 2:2 (NKJV)***

***2 And suddenly there came a sound from heaven, as of a rushing mighty wind, and it filled the whole house where they were sitting.***

3 Then there appeared to them divided tongues, as of fire, and one sat upon each of them.

So, He wants to be listened to and when you greet Him, expect His response just the same as when you talk to

Him. When you ask help of Him, He's expecting your appreciation. When He does what you're not expecting, He expects your applause. So learn how and when to say hello and show a heart of gratitude and appreciation for his goodness to us.

*The Holy Hpirit may burn like fire but He is not fire. He may cool down like ice but He is not ice and although He can be smooth like the oil, yet He is not oil. These are just forms of His manifestation.*

Those who develop a habit of pleasing the Holy Spirit have found themselves soaring higher. Scripture teaches us that unless two agree, they cannot work or move together

Amos 3:3 “Can two walk together, except they be agreed?”

Agreeing with the Holy Spirit is mandatory if we are to succeed in anything. When the angel came, to the shepherds after Jesus was born, he greeted them. Some of us have grown up in societies where we were never taught how to greet those we meet or are around us. So, even when we come to church, we find it difficult to greet an invisible God-the Holy Spirit, and yet He is the boss of the Church.

He is the reason why the Church exists yet we rarely say hello to Him. Greeting is never easy if the greeting or the greeter is having challenge with the language because you may never hear or understand each other.

***Luke 1:29 (NKJV)***

***29 But when she saw him, she was troubled at his saying, and considered what manner of greeting this was.***

But because the Holy Spirit is both God and Spirit, He knows and comprehends when we speak our various languages. That is why He has given each one of us their own language so that we may all be able to say hello to Him.

Therefore the gift of speaking in tongues is the greatest communication tool God has given to each believer if they want to take their life to another level on a daily basis.

***Acts 2:4 (NKJV)***

***4 And they were all filled with the Holy Spirit and began to speak with other tongues, as the Spirit gave them utterance.***

Communing with the Holy Spirit is not a one-off experience. It is a humble routine practice. Hello is an

icebreaker because you cannot say hello to the Holy Spirit and He stays silent. He will respond to you since He talks back to those who talk to Him. He inspired men to write 66 books of the bible.

**2 Peter 1:21 (NKJV)**

***21 for prophecy never came by the will of man, but holy men of God spoke as they were moved by the Holy Spirit.***

*Those who develop a habit of pleasing the Holy Spirit have found themselves soaring higher.*

He caused them to remember and write things that Jesus would do in His three and a half years of ministry yet they were not educated men-

**Acts 4:13**

***Now when they saw the boldness of Peter and John, and perceived that they were unlearned and ignorant men, they marveled; and they took knowledge of them, that they had been with Jesus.***

They had not been trained to memorise things. He's more than we think He is and that is where the conversation begins. I may have said hello, a five-letter word but the

Holy Spirit will give me 66 books.

Hello to the Holy Spirit is a divine conversation that will release divine anointing; divine power and God's voice that help you tap into everything pertaining to life and godliness;

***2Peter 1:3***

***"According as his divine power hath given unto us all things that pertain unto life and godliness, through the knowledge of him that hath called us to glory and virtue:***

The second step I have to do is to listen. I must be listening because scripture says;

***John 10:27 (NKJV)***

***27 My sheep hear My voice, and I know them, and they follow Me.***

I must hear what He is going to say. One of the things that He does is He convicts us, but not only does He convict, He convinces us too.

Angel Gabriel came from the presence of God but for as long as he was talking to Mary without mentioning the Holy Spirit, the argument just kept heating up. He came in and

said; ‘Oh Hail, thou Mary blessed are you among women,’

But she questioned, ‘how shall this be?’ Seeing she knew not a man. This she questioned because The Holy Spirit was not introduced in the conversion at the beginning.

The reason why people are questioning our preaching and intentions is because we are not making the Holy Spirit loud in our conversations. Gabriel initiated the conversion with Mary but it did not matter for as long as what he spoke about had no mention of the Holy Spirit.

As soon as Gabriel said the Holy Spirit shall come upon you and the power of the Most high shall over shadow you, Mary did not waste any more time but said, ‘let it be done unto me...’

Surrender of whatever it is in your possession; souls, lives, businesses and great things happens when we mention the Holy Spirit. That is why He is so powerful.

*I must hear what He is going to say. One of the things that He does is He convicts us, but not only does He convict, He convinces us too. The reason why people are questioning our preaching and intentions is because we are not making the Holy Spirit loud in our conversations.*

Do not start your day without the Holy Spirit or go through the day without Him. He is all you need. That is why in every service of the 77D.O.Gs for the past one hundred days, the first thing I do upon stepping on the platform no matter whether I found a wonderful song being sung, I say to the congregation, 'let's welcome the Holy Spirit, we welcome your presence precious Holy Spirit, you're welcome here, you are loved here, this is your house, abide here,' surrendering the congregation and grounds on which we stand, giving Him everything and whatever is going to happen that day. If He does not show up, if He does not empower us, we are bound to fail. People will begin to say 'but yesterday it was great how come this day is not as yesterday?'

Every day we have made him loud in our services, we have witnessed him impact millions of lives around the globe. We gave Him the television and other tools of evangelism and He has totally taken it all to another level. We gave Him the church, the people, our lives, the country and He has taken them all to a whole new level. Everything we give Him, He takes it and turns it gloriously for his namesake. He took the young lad's two fish and five loaves and did something glorious with it for his children.

*Everything we give Him, He takes it and turns it gloriously for  
His name's sake.*

***John 6:9-12;***

***9 “There is a boy here who has five barley loaves and two fish, but what are they for so many?”***

***10 Jesus said, “Have the people sit down.” Now there was much grass in the place. So the men sat down, about five thousand in number.***

***11 Jesus then took the loaves, and when he had given thanks, he distributed them to those who were seated. So also the fish, as much as they wanted.***

***12 And when they had eaten their fill, he told his disciples, “Gather up the leftover fragments, that nothing may be lost.”***

Acquaint yourself therefore with the Holy Spirit and you will see his goodness come to you.

Job 22:21 Acquaint now thyself with him, and be at peace: thereby good shall come unto thee.

## CHAPTER FOUR

### *Who Are You Holy Spirit?*

Jesus Christ said; “Who do people say I am?” The Holy Spirit however will never ask you such a question.

This is so because when He comes in, you automatically sense and know it, especially if you have natured that relationship with Him. He does not come through the back door, He comes in in a grand entrance. On the day of Pentecost when He came in, three thousand men who had barricaded themselves in rooms waiting for the consolation of Israel, jumped out when the Holy Ghost came in upon them, with a bang. When He shows up, there is no need for asking; ‘who are you Holy Spirit?’ Upon showing up, His presence can be felt a million miles away.

He spoke to me in Kyankwanzi about 77 D.O.Gs. Thinking it a message for just my congregation, I drove back to Miracle Centre Cathedral and told them what He had instructed us. The next Sunday night of the 18th September 2016, we started and dwelt in His presence. Nobody anticipated the magnitude of this rival then.

We were not even broadcasting live. It is only until we started the live broadcast later the following Friday night that something exploded on television. Now everybody knows that He came. Not by way of any form of advertising but by the Holy Spirit Himself.

When He comes in, His entrance is big. Everybody will know that He has arrived. That is why He asks for maximum cooperation wherever and whenever He comes. He does not send an advance-team before Him. He does not carry around Him an entourage of security or protocol personnel. But when He comes, everything is secure, things begin to change, everything becomes powerful, every word creates a miracle and hope is given to the world in the shortest period of time.

*...When He comes in, you will know it. He does not come through the back door, He comes in in a grand entrance. On the day of pentecost when He came..., three thousand men who had barricaded themselves in rooms waiting for the consolation of Israel jumped out because the Holy Ghost came in with a bang.*

He is also selective and chooses what or who to use when He comes. No one dictates on Him. When angel Gabriel came, he went to Mary. There were several

Marys at the time. There was Mary wife of Chuza, Mary Magdalene, another Mary and Mary the mother of Jesus. Why He chose not Mary Magdalene or Mary the wife of Chuza, cannot be fathomed. Bye-the-way Mary the wife of Chuza had politically ties, but why choose Mary the virgin. Why?

Do you want to know who the Holy Spirit is? He is one person who knows what He wants. He can never be bribed, manipulated or turn Him against somebody. He will never tell you who He is but He will show you who He is. Thus, He knows what He wants and where to get it. So one can monopolize Him.

*Who are you Holy Spirit?*

He is the ALL-KNOWING, ALL-MOVING God. Here at the Miracle Centre Cathedral in 77 DOGS, He has shown us who He is. He has shown us that He is unprecedented. He cannot be timetabled and He is not comparable to any power anyone has ever seen. One day I was preaching but it had taken a long while without raining. He moved me to prophesy that it would rain before the hour of 4:00 pm the next day. It was 3:00am and an hour later it was already raining. He

will overwhelm you once you listen to Him, once you give him an opportunity.

*He is also selective and chooses what or who to use when He comes. No one dictates on Him. He will overwhelm you once you listen to Him, once you give Him an opportunity.*

Once we surrender to Him, He overwhelm us. He will own the words we speak to become His very own because we would have chosen to hear from Him and did what He wanted, His way. He carries us on His wings whenever we follow His lead. He is the Spirit of God. He is the reason why the valley full of dry bones in Ezekiel 37 became a living people and a great army. He does not raise weaklings, He raises strong people. We have no idea who may killed those people in the valley, but we know for sure who raised them up-the Holy Spirit. The bible tells us in John 14:16;

“And I will pray the Father, and he shall give you another Comforter, that he may abide with you forever;”

He is the one who defends us in the courts of law as we witnessed in these 77 D.O.Gs, when the Holy Spirit vindicated us and prompted those who bore false testimony in the wine smuggling saga and homosexuality

conspiracy. There is no one who can do a better job than the Holy Spirit-our advocate.

We also witnessed a 9 year old girl who under the unction of the Holy Spirit was able to reconcile her family which was on the brink of divorce. The Holy Spirit came upon her and she convened her entire family (which surprisingly took heed) and sat together in a meeting. The family was miraculously reconciled and the rest is history. Glory to God.

The Holy Spirit

## CHAPTER FIVE

### *What Can We Do For You Holy Spirit?*

This is the question that everybody should ask themselves every morning. After greeting the Holy Spirit, we should say; ‘Holy Spirit what can I do for you?’ This is the nature of hospitality. He is a comforter and partner. We must be hospitable. We are people in the ministry of hospitality. We are the host and like every good host who always asks their guests if they need anything, we too should courteously ask Him; “how may I help you?” It is rude to presume knowing what your guest’s need is. The mistake we make in the body of Christ every Sunday is to present to the Holy Spirit what we have cooked, disregarding the fact that there is something He often wants to cook with us.

That explains why you preach a sermon and He is not part of it. To His dismay and surprise, He does not even believe fifty percent of what we say and yet we toil tireless wanting to wrap Him around it and insult Him by saying; “I did it with the Holy Spirit.” However what He does, He refuses to eat or participate in such stuff.

Being a gentle Spirit, He puts up no fight and simply takes leave. He gets an excuse and walks.

What can I do for you Holy Spirit?

Presumption is what has caused many believers to walk a life which is so dry and empty, devoid of the Holy Spirit. Instead of having righteousness, peace, joy in the Holy Spirit, many lives are in turmoil, war and suffering.

In the previous chapter we discovered that one of the requirements the Holy Spirit requires from us is to listen to him like scripture says;

***Isaiah 30:21;***

***And thine ears shall hear a word behind thee, saying, This is the way, walk ye in it, when ye turn to the right hand, and when ye turn to the left.***

You will also hear Him say words like “Believe God and Jesus Christ whom He has sent.” You will hear Him say, “Let’s worship God together.” “Jesus is the Truth.” For God is looking for those who can worship Him in Spirit and in truth. The Holy Spirit will ask, “Have you seen Jesus?” And if you say “Yes,” Jesus will ask, “Have you talked to the Holy Spirit?” Once you reply in the affirmative and say you have those two persons, (the

Holy Spirit and Jesus), all things become possible.

He will say, “Give up your car. Give it to someone who does not have one. Buy those shoes for someone else, and so on and so forth.”

The story of the Good Samaritan is about obeying the Holy Spirit. When everybody turned their back on the man who had been waylaid by robbers and left for dead, the Holy Spirit came through a Samaritan

***Luke 10:30-35***

***“And Jesus answering said, A certain man went down from Jerusalem to Jericho, and fell among thieves, which stripped him of his raiment, and wounded him, and departed, leaving him half dead.”***

***31 And by chance there came down a certain priest that way: and when he saw him, he passed by on the other side.***

***32 And likewise a Levite, when he was at the place, came and looked on him, and passed by on the other side.***

***33 But a certain Samaritan, as he journeyed, came where he was: and when he saw him, he had compassion on him,***

***34 And went to him, and bound up his wounds, pouring in oil and wine, and set him on his own beast, and brought him to an inn, and took care of him.***

***35 And on the morrow when he departed, he took out two pence, and gave them to the host, and said unto him, Take care of him; and whatsoever thou spendest more, when I come again, I will repay thee.***

*You Are Welcome Holy Spirit*

Now after we welcome Him in our homes and have served Him well, we then receive commendation from the Holy Spirit. When we ask Him what He wants and we offer it, He will surprise us. When you say, “you are welcome in my life. You are highly welcome in everything I do.” Once He is welcomed both officially and privately, it becomes difficult for Him to leave.

You realise He stayed in the ark of covenant for forty years. God is not nomadic and neither is He sporadic. He is not automatic and He prepares (His) people.

Through the 49 crusades round the country (Uganda), He prepared us to be on our feet. He taught our

media crew to stand through all meetings for hours on a daily basis. He taught us to appreciate the miracles and healings. We understood that it is He who drew the people to Himself. The Holy Spirit is the landlord here on earth because He was here before the trees, birds, fish and all creation were. The bible says He was hovering over the surface of the deep.

Before man was, the Holy Spirit was. Everything you need in this life, you must get it by the Holy Spirit. The bible says in Isaiah that if we be willing and obedient, we shall eat of the good of the land

***Isaiah 1:18***

***18 Come now, and let us reason together, saith the LORD: though your sins be as scarlet, they shall be as white as snow; though they be red like crimson, they shall be as wool.***

***19 If ye be willing and obedient, ye shall eat the good of the land:”***

Disobedience is as the sin of witchcraft. Witchcraft is one of the things the Holy Spirit comes to destroy. No wonder we face such resistance in everything we set our hands to.

This is so because the Holy Spirit resists us off his land.  
He pushes us to get off His land because of disobedient.

## CHAPTER SIX

### *Spinning The Airwaves: The Channel 44* **Factor**

The reason why God created man was that he would rule over all else that He had created. That he would manage, replenish, take care of and watch over His finished work. So man was made with exceptional abilities that only can be found in leaders or rulers. Man was able to name everything God had created. How could he have the memory of what God had done and yet the scriptures say God cannot be searched out? How could he have gotten the knowledge of what God created and for what purpose?

*Very simple.*

***Job 32:8***

***But there is a spirit in man: and the inspiration of the Almighty giveth them understanding.***

And since God is a Spirit, He who made him, framed

him and gave him a brain, placed in him a memory chip of everything He had created. Therefore since utterance is given by the Holy Spirit, man was able to utter animal words such as Elephant, snail and so on because the same spirit that framed him is the one that placed the memory chip in him with everything that God had made.

However after the fall, something changed in man that made him lose His glory. The Bible says that ‘all have sinned and come short of the glory of God

Rom 3:23, but man never lost the memory. That is why whether we be sinners or not, we never lose our memory; the ability to remember. That is why when someone loses their memory, though they remain alive, they are more-less useless. We should therefore never forget to give glory to the owner of our memory chip no matter how successful we have become.

In the year Channel 44 television was being installed, a renown international evangelist Benny Hinn was visiting Miracle Centre Cathedral. In that meeting Matthew Crouch, now president of Trinity Broadcasting Network (TBN) and his wife Laurie,

were present at the dinner which was held in the church lounge where Pastor Benny Hinn prophesied that we were going to start a television station. He went on to say, turning to Matthew Crouch that, ‘as TBN has been and is to United States and around the world, so shall Channel 44 become.’ That was in 2009. He did not know we had flown in Italian engineers to install television equipment upstairs. Later on I told him and he prayed for some of the young people who were our cameramen at the time.

When Channel 44 went on the air, it was faced with challenges. The enemy begun to hit us hard; our towers, connectors and links were destroyed, occasionally interrupting our transmission. We struggled with attracting business (advertisers) even though we had the best signal and more viewers in the Christian scope. We had less viewership nationwide. It was frustrating because we had to struggle to pay our bills day after day.

God then spoke to Steve Thompson, former Engineering Manager at CNN, Atlanta, who came with Chris Hufton, son to Pastor Mirek Hufton, to come all the way to Uganda and train Channel 44

television crew. He also brought some television equipment which was needed by the station. To us, it was a sign that God was interested in Channel 44 television despite the fact that business at Channel 44 was not picking up in the manner that we had anticipated.

But now I understand why in spite of the aggressive search for business partners, they never came. If we had signed contracts with them lasting two or three years, we would not have been able to turn Channel 44 to the Holy Spirit to broadcast the gospel for over ten hours and the subsequent daily replays.

I believe the Holy Spirit had taken over Channel 44 although we knew it not. We had wanted it to run like any other television station in the country, while He had other plans. Throughout our 49 crusades, we broadcast everything we saw on Channel 44. We did live music recordings, nights of prayer and we shared about the power of God on the station.

Then came the 77Days Of Glory (77D.O.Gs) making Channel 44 a darling in the hearts of the people around the world. (At first publication) over 12

million people had been reached making it the largest viewed station in the country which reminded me of the prophecy Pastor Benny Hinn gave.

Just like TBN was during the revivals in America between 1983 and 1986, Channel 44 is privileged to be a courier of this revival all over Uganda through the airwaves and farthest parts of the world through the internet. The revivals hosted by Paul and Jan Crouch in Cincinnati, Seattle, Phoenix-Arizona, Dallas, are the reason why most of today's preachers rose up and began to spread the gospel.

There is a pride that has come in the body of Christ; a godly pride. A pride of belonging; people from diverse denominations and walks of life have watched Channel 44 and have been re-energized in their spirit. We have heard stories of people as far as America, Australia, Angola share amazing testimonies of the miracles they have received while watching channel 44 in their countries.

So Channel 44 has become a holy instrument of God's power, channeling healing, miracles and deliverance.

Surprisingly it is no coincidence that the station name

was orchestrated by the Holy Spirit even though we had no idea from the start. We didn't name it Channel 44. By the time we got the license, all channels had been taken. The Lord had to cause us to buy a combiner so that it could carry our signal on the national tower and the channel we were given was 44. But in Isaiah 44, it brings a very powerful revelation about Channel 44 television. This is a chapter where God gave us the name of our music production company-Sho'em. The Lord said you must show them the ancient things the Lord has done.

When you read the whole 44th chapter you realise that this is exactly what the Lord is doing on Channel 44. When the government gave us Channel 44, I knew it was not them because I would not have called it Channel 44 television. I would have called it healing television or something else. But then I saw scripture and the Lord pointed me to it and said He was going to pour out His spirit. Chapter 44 of Isaiah is what Channel 44 is all about.

Now Channel 44 is bringing salvation to many, publishing what God is doing without gimmicks or 'alterations and special effects.' God knows how to

choose His instruments. So I thank God for the people who launched us out into the media business including but not limited to;

TBN which gave us the starter pack of brand new top-notch television equipment,

Brother Marty and Sister Debbie Martinez and their entire family. If they have ever done an investment in the kingdom of God which they should be proud of, then Channel 44 is it.

Gratitude also goes to all those who have secured more new cameras for the station.

Sister Jennifer and George Lim, Pastor Vera and Albert Lim.

My own family and the employees of Channel 44 who sometimes went without pay for a while.

The government of Uganda that gave us the license and freedom of the press to do this great service, otherwise the world would not have known what is going on in the country.

I can only compare Channel 44 with TBN which

brought revival hosting preachers and great gospel ambassadors.

How would we have known the late Dr. Myles Munroe, T.D Jakes, Joyce Meyer, and many others? I don't think the world would have known me if it was not for TBN during the years I preached through TBN's Praise The Lord program.

You must be willing to become a factor in God's programs

You must be willing to become a factor in God's programs. The word factor to me simply means, that which comes from facts. If someone is to tell facts, they are giving an accurate story of what has happened.

In order for us to become an accurate story of His grace, power and mercy by the Holy Spirit, we must place ourselves in a position where God can pick on us and use us even when we do not understand.

Keep on moving towards God. Delays are never denials, but if denials occur then it means the negotiation is wrong. It means you are settling for less than what is truly yours and what you deserve.

We were negotiating less than what was our due. As ministers of the gospel, we were nearly begging and being compromised on our values because we were desperately chasing the corporate dollars in order to sustain the vision which God Himself started.

In fact one gentleman in international media approached me and said ‘your television has got the best signal, how come it is not making money? Can I manage it for you?’ One year later the Holy Spirit takes over its management and look at the results.

God can use anything; He one time used a donkey to speak. He is using information and communication technologies to transmit His healing, saving and miraculous power to countless lives across the globe. Victory belongs to Jesus.

### Becoming a Factor in God’s Kingdom

You must be willing to be taken wherever He wants to take you.

You must be willing to learn from those who are better than you are. When Brother Steve came with Chris Hufton to teach us, we submitted. Little did we know, he was carrying the anointing of an international

television station, CNN, and he was bringing it to us. We were not going to report conventional news as it happens but rather, deliver the good news, the gospel of our Lord Jesus Christ.

One ought to become an instrument of His glory, and in order to do that we had to offer the best to our God by purchasing brand new equipment. If we had bought used second-hand equipment, it would not have survived the first 77D.O.Gs. But because all of the equipment we bought was new, we could we were able to go through it uninterrupted having not afford compromised on quality.

You have to invest the best in yourself because you are in for the long haul, not just short term missions. I encourage those of you who own businesses and are believers, to let God use what you have, because it is His in the very first place. It is He who gave you the memory chip. Let Him use what your brain has put together for His glory, you will be surprised at what God will do for you.

## CHAPTER SEVEN

### *The Glory At Miracle Centre Cathedral*

John 17 reveals that the glory is the Lord's Prayer, not "Our Father who art in heaven, hallowed be thy name..." That was the master teaching His disciples how to pray. But in John 17, He lifted up His eyes and prayed and said, "Father, the hour has come, Glorify thy Son, that thy Son also may glorify you."

Therefore, the glory of God is what contains everything that we will ever need on this earth. That is why the Bible says that He supplies all our needs according to His riches in glory by Christ Jesus.

If God is going to supply anything, He will supply it because He has it in His glory. If God is going to heal anybody, healing is in His glory. Prosperity, wisdom, favour, land, houses, wives and children are all in His glory.

So the reason why God hasn't answered people's needs on earth is because glory has not been given to Him. God supplies my needs according to the glory that I give Him. So when I give Him the glory, the He

supplies my needs according to His riches in glory. So if I don't give Him the glory, He has nothing to supply me with. It is what I give Him that He uses to supply my needs.

Jesus Christ revealed His glory at the wedding of Cana of Galilee. Yes, it was His glory, but that glory was given to Him when Mary told the men, "Whatever He tells you, do it." And when Jesus gave them instruction to fill the jars with water, they did. When He told them to take to the master of the ceremony, He tasted the new and found it better than the one served first. Why? The men who gave Him the water gave Him the glory. And from that, He supplied them the wine. Until I give God the glory, He has nothing from which to base what He should give me.

So if I don't give Him my faith, He has nothing to work with. If I don't give Him my praise, He has no power to give me. If I don't surrender to Him, He has no saving grace with which to save me. It is a give and take relationship here then He uses what I have given Him. That is why the scripture says,

**Luke 6:38**

***“Give, and it shall be given unto you, good measure, pressed down, and shaken together, and running over, shall men give into your bosom. For with the same measure that ye mete withal it shall be measured to you again.”***

I give Him the glory, and out of the glory, He creates whatever I am looking for.

The glory that we see at the Miracle Centre Cathedral is from the 49 crusades that we just gave to God. He then took those crusades, compounded them together and sent them to us at the Miracle Centre as 77D.O.Gs. So now our lives are completely transforming every single day. We are totally overwhelmed. We cannot now interrupt His move with our man-made usual programs. Right now we are driven by the wind of the Spirit. All there is to do is listen and obey. For every need we once desired and required, resources and supply has come just at the right time, for the exact purpose and in the required measurements. One can never know where resources come from.

On one day, there is darkness all around the compound and on the following day, someone brings the best LED flood lights to light the entire place. One day there is a jungle right outside with frogs croaking in ‘praise’ to their creator every night a noise louder than voices in the Cathedral, but in no time, there is a newly created expanse of room for parking and congregating. There is such a constant praise that draws people from all over and they keep on coming.

The glory we see is because we gave Him the glory. That is likened to the story of the miracle of feeding the 5000 men without women and children in the Bible. Jesus took the lunch box of a little boy and multiplied it, fed them and had twelve basket-full of left overs.

Elijah came to a widow in Zarephath and told her to give him something to eat.

***1Kings: 17-16***

***7 And it came to pass after a while, that the brook dried up, because there had been no rain in the land.***

***8 And the word of the LORD came unto him, saying,***

**9 Arise, get thee to Zarephath, which belongeth to Zidon, and dwell there: behold, I have commanded a widow woman there to sustain thee.**

**10 So he arose and went to Zarephath. And when he came to the gate of the city, behold, the widow woman was there gathering of sticks: and he called to her, and said, Fetch me, I pray thee, a little water in a vessel, that I may drink.**

**11 And as she was going to fetch it, he called to her, and said, Bring me, I pray thee, a morsel of bread in thine hand.**

**12 And she said, As the LORD thy God liveth, I have not a cake, but a handful of meal in a barrel, and a little oil in a cruse: and, behold, I am gathering two sticks, that I may go in and dress it for me and my son, that we may eat it, and die.**

**13 And Elijah said unto her, Fear not; go and do as thou hast said: but make me thereof a little cake first, and bring it unto me, and after make for thee and for thy son.**

**14 For thus saith the LORD God of Israel, The barrel**

***of meal shall not waste, neither shall the cruse of oil fail, until the day that the LORD sendeth rain upon the earth.***

***15 And she went and did according to the saying of Elijah: and she, and he, and her house, did eat many days.***

***16 And the barrel of meal wasted not, neither did the cruse of oil fail, according to the word of the LORD, which he spoke by Elijah.***

It is from what we give Him that He creates something for us. That is the secret of His glory. I must give Him my heart, my life, my sins so that He can create salvation out of that. And that is the mystery of His glory. So the glory of the Lord that we witness is all because somebody has given the Lord something; their voice, their praise, their time, their sin or their seed. And as a result, Jehovah is creating Miracles for the people every single day. There is nothing like the glory of God. I used to read it in the Old Testament that the priest would go in the Temple and minister to the Lord and the smoke would descend and fill the whole place. There was a time during these 77D.O.Gs

that we would have a smoke around the top of the roof of the church. In fact, a series of images reveal a picture of the church glowing with an unexplainable light.

That is why He said He takes us from glory to glory. That is how He takes one from glory to glory.

As a matter of fact someone who was teaching me about the glory said that when angels come to your place, they choreograph your music. They flow with what you are doing. They do not manufacture anything on their own. They simply reflect what you are doing.

So the glory that we receive is from the glory that we give to Him. But the contents of the glory we give to Him cannot be compared to what He gives to us.

Jesus said in John 17, the hour is now come, glorify thy son.... In other words, it is time for the glory.

These Are Just A Few Of The Testimony Samples The Holy Spirit Rode On To Ignite Profound Miracles And Wonders In The 77 D.o.gs Revival

## MERCY MBABAZI

While at school, Mercy was beaten by a security guard with a broomstick badly affecting her spine, which left her crippled and unable to walk, stand or even turn her neck on her own. She had to use calipers and crutches, and was in so much pain continually.

Mercy came to the 77days of glory revival with determination and faith for a miracle. On her first day, she didn't receive her miracle. But that did not discourage her. She didn't receive her miracle on her second day either, but that didn't deter her faith.

On her third day, the service ended like any other, but her faith was stirred more for a miracle and with some encouragement from her neighbors, she got up and took a couple of steps on her own and before she knew it, Mercy could walk and run and jump. The pain in her neck was gone, her spine was totally healed and to-date, she has never remained the same.

One of the medics who had attended to her in hospital also came to verify Mercy's miraculous healing.

The story of Mercy brings to mind a scripture in Hosea.

Hosea 6:2

***After two days will he revive us: in the third day he will raise us up, and we shall live in his sight.***

## **JUSTINE NAMUTEBI**

On her way to work one morning in the UK where she lives, Justine had a terrible accident that left her right leg badly injured. She had to be hospitalized for a while and even when she was discharged from hospital, she was 'condemned' to use crutches having to endure so much pain.

Back in Uganda, Justine's sister was preparing her introduction ceremony (where she would formally show her fiancé to her family according to tradition), a function which Justine had to attend. Little did they know of the workings of the Lord, because when Justine got here, she heard of how powerfully the Lord was moving among His people in the 77D.O.Gs revival,

-her miracle.

All the pain left her body and she was set totally free that evening. She dropped her crutches, removed the calipers she had had to use and by the power of God, was walking for the first time since the accident. Her worry of attending her sister's introduction ceremony in pain was dealt away with by the healing touch of our Lord, Jesus Christ.

## **ROGER**

Roger was home watching Channel 44 TV when he saw his brother, Emma testify of the Miracle God had done for their mom. Immediately, he felt a burning impression to sow a seed in the ongoing revival. He looked around the house and saw nothing else, but his computer. He immediately brought it, running to the platform like a mad man.

When he gave his computer, immediately, the Lord gave him a new motorcycle to replace the one he sold off when he was going to formally visit his fiancé's parents.

Emma came back to rejoice with him on the platform.

The word of God had come to Emma to make sure he joined the choir because it's his place of blessing. He immediately obeyed, talking to the music director here.

When he returned to celebrate with his brother, God gave him a car, just like that!!! Emma couldn't stop running all over the church...

## **JEAN-PIERRE**

Jean-Pierre is a reverend's son who has been using and abusing drugs; cocaine, heroin, you name it, in spite of interventions from his family. He has been coming for the 77days of glory revival meetings and been staying at church most of the time.

The Holy Spirit touched him and he surrendered the drugs he's been using for over the past 5years.

## **PEACE NTEGE**

Peace, a 9 year old girl, who witnessed the power of God in the church and on Channel 44 TV and was filled with the Holy Spirit. Oftentimes, when we witness the

infilling of the Holy Spirit, we see adults. Very rarely do we see young people. But this 9year old girl was filled with the Holy Spirit. Her family was in tatters. Her father was rejecting her brother, his only son, and was telling her mother to pack her bags and leave. The girl heard it all and the Holy Spirit told her to call for a meeting at home and chair it. And she did as though she was a corporation chair or CEO. She turned the issues of a confused disgruntled family that was fighting all the time and living in sin, where the father was rejecting a seven year old boy, telling him to pack his bags and go to the streets. “Let your mother show you who your real father is.” But the Holy Spirit on the young girl caused her to chair a reconciliation meeting where she presided over and ministered forgiveness. That day as the Holy Spirit led her, father, daughter, mother and son all repented in tears. How could a 9year old girl command a dysfunctional family to order? How did she do it? She said the Holy Spirit spoke to her as she testified to thousands of people and millions watching live from all around the world. First, she came and knelt down as any other 9year old African girl would usually do to greet me on the platform. But then she said, “Pastor, thank you for teaching and introducing the Holy Spirit

to me.” She was just a typical 9year old girl, but when the mother took on the microphone, she testified of a girl who was as bold as a lion, who summoned her family to a meeting and all responded positively. It is evident that this girl became an instrument of change and as result, divorce was averted, rejection cancelled and bitterness was turned into sweetness. Furthermore, the mother said that after she had chaired the meeting, she just ran outside and played with other kids like nothing had happened while she and her husband were on their knees weeping and crying.

## **INTIMACY WITH THE HOLY SPIRIT**

*It is imperative we make the Holy Spirit a very dear friend at all times and not just when we are trouble on every side. Having been ushered into this profound and amazing romance with Him, and learning to acknowledge and welcome the Holy Spirit, therefore;*

*Holy sweet Spirit, you are welcome. I love you, I need you. Come change my life and take full control. Make me ever new and use me as a vessel for the Father's glory. This is your house Holy Spirit come and dwell. Thank you for your role and intervention in affairs, Halleluiah.*

## **SALVATION PRAYER**

*Our lives only make meaning and are safe in our Lord Jesus Christ's care after we accept His saving grace and mercies. With our hearts we believe and with our mouth we confess accepting Christ Jesus the saviour trading His truth and life everlasting for our sinful nature. To the new convert, say this prayer of salvation accepting to invite Jesus Christ into your life*

*Lord Jesus I give you my life, that you may give me life everlasting life. I confess all my sins and denounce all evil and the works of the devil. I ask you to wash me clean and white with your precious blood. I accept you as my lord and Saviour. Write my name in the Lamb's book of life and remove it from the book of death. I confess I am saved, in Jesus' name, Amen.*

*If you have said this prayer; please find a bible believing church and ask to be baptized. If you cannot find one, you may join us and fellowship with us at the Miracle Centre Cathedral.*
